## FREE BIXI SUNDAY AND EXCLUSIVE INVITATION FROM MANULIFE TO THE NEW CINÉMA DU MUSÉE

**Montreal, October 24th, 2018** – The last Free BIXI Sunday of 2018, sponsored by Manulife, will be on October 28. All day long, riders can take as many one way 30 minutes trips as they like without paying a cent.

### A MOVIE AND BIXI

Again this year, we're offering you an opportunity to wrap up your Free BIXI Sunday, sponsored by Manulife, with a trip to the movies! At the brand new Cinéma du Musée (Montreal Museum of Fine Arts), Bixists can attend a showing of Anthropocene for free. Narrated by Pascale Bussièrès, this "cinematic meditation" tells the story of humanity's enormous impact on the planet. This earthshaking film will send you to the four corners of the world.

To get their two free passes, Bixists need to go to one of the four expressly indicated BIXI stations where a Manulife valet will hand out the tickets on a first-come, first served basis. Get all the info on [bixi.com](http://bixi.com).
